

CITY OF LODI

COUNCIL COMMUNICATION

TITLE: Presentation by Representative of the Lodi Boosters of Boys and Girls Sports Organization of a check for \$3,000.00 to do related fencing improvements at Kofu, Blakely, and Salas Parks at the various baseball facilities.

MEETING DATE: April 7, 1993

PREPARED BY: Parks and Recreation Director

RECOMMENDED ACTION: That the City Council accept the \$3,000.00 check from the Boosters of Boys and Girls Sports organization for needed fence improvement projects at Kofu, Blakely, and Salas Parks.

BACKGROUND INFORMATION: Over the past few years, the B.O.B.S. organization, as well as the City Parks and Recreation Department, have seen safety problems and fencing deterioration at the above mentioned parks in and around the baseball diamond facilities. As such, there is a need for improvement. The B.O.B.S. are stepping forward to finance these needed improvements now and before the 1993 season begins to address these safety concerns and improvements. City funds are lacking and the B.O.B.S. feel they want to help during this time of need. We appreciate their generosity.

You'll remember that about a month or so ago, the B.O.B.S. also donated money to improve our irrigation systems in the infields at Kofu and Salas Parks.

FUNDING: Donation of \$3,000.00 to City to complete projects. No cost to City.
